Information on the Merger of Doppstadt Companies

Dear Sir or Madam,

We hereby inform you about the completed legal merger within the Doppstadt Group.

Doppstadt Umwelttechnik GmbH (doing business as Doppstadt Beteiligungs GmbH until 16.12.2025), Steinbrink 4, D-42555 Velbert, registered in the Commercial Register of the Local Court of Wuppertal under HRB 19188, VAT ID: DE 325 473 538, hereby confirms that the following companies have been merged into it:

- **Doppstadt Umwelttechnik GmbH**, HRB 29985, Local Court Wuppertal
- **Doppstadt Calbe GmbH**, HRB 100158, Local Court Stendal
- **Werner Doppstadt Umwelttechnik Verwaltungs GmbH**, HRB 17933, Local Court Wuppertal

With the entry of the merger in the Commercial Register, Doppstadt Umwelttechnik GmbH (doing business as Doppstadt Beteiligungs GmbH until 16.12.2025) has, pursuant to Section 20 of the German Transformation Act (Umwandlungsgesetz, UmwG), become the universal legal successor of the aforementioned companies.

Legal Consequences of the Merger

This means that Doppstadt Umwelttechnik GmbH (doing business as Doppstadt Beteiligungs GmbH until 16.12.2025) has taken over and continues the business of these merged companies as previously conducted, including, for example, employees, locations, production, and product and company brands. Doppstadt Umwelttechnik GmbH (doing business as Doppstadt Beteiligungs GmbH until 16.12.2025) has automatically and without further action entered into all existing contracts, legal relationships, and other obligations of the merged companies. No consents, contract amendments, or addenda are required for this.

The merged companies ceased to exist upon the effectiveness of the merger.
